#### Reverse of the central coin:

In the centre – a common theme of Ukrainian iconography of the 15th and 16th centuries: an image of Jesus surrounded by a gold halo on a background of a cloth with which Jesus had wiped his own face, held by the Archangels Michael and Gabriel. On the left and on the right, along the rim – a decorative triangle-shape 24-carat gold-plated surface, which forms a background in the shape of a Byzantine cross. In the upper and lower part of the coin – an inscription: СВЯТИНИ УКРАЇНИ (the name of the set in Ukrainian).

#### Obverse:

In the central part of the coin – a profile portrait of Her Majesty Queen Elizabeth II. Along the rim – inscriptions: Elizabeth II, 2014 (the year of issue), NIUE ISLAND (the issuer), Ag 925 (the hallmark), TWO DOLLARS (the face value), m/w (the mint mark).
